Welcome

Dear Bondurant Community,

It is my honor to welcome you to the 2025 Bondurant Community Guide and Business Directory on behalf of the Bondurant Chamber of Commerce. This guide is a valuable resource for residents, businesses, and visitors alike, showcasing the growth, opportunities, and hometown pride that make Bondurant a special place to live, work, and thrive.

A YEAR OF SUCCESS AND PROGRESS

Over the past year, Bondurant has experienced remarkable growth — welcoming new businesses and residents while maintaining the strong sense of community that defines us. The Chamber has supported local businesses, hosted networking events, advocated for development, and built connections that drive success.

From our Annual Dinner to Celebrate Bondurant, our events have strengthened relationships, provided business exposure, and united the community. Initiatives like the New Mover Bags ensure every new resident feels welcomed and connected. Our Regional Legislative Events have also helped amplify Bondurant's voice in shaping policy.

FACING CHALLENGES HEAD-ON

With growth comes challenges. The chamber remains committed to workforce recruitment, infrastructure improvements, and supporting small businesses through resources, funding opportunities, and strong networks.

LOOKING AHEAD: A VISION FOR 2025 AND BEYOND

Our goals for the future include:

- Strengthening business success through networking, education, and marketing.
- Enhancing community engagement by

expanding events and business-resident connections.

- Advocating for thoughtful growth while preserving Bondurant's hometown feel.

YOUR CHAMBER, YOUR COMMUNITY

The Bondurant Chamber is more than an organization — it's a catalyst for progress and a champion for local businesses and residents. Whether you're a business owner or new neighbor, we invite you to engage, attend events, and take advantage of all Bondurant offers.

Thank you for being part of this amazing community. Together, we're shaping a future full of promise and opportunity.

BOARDS AND COMMISSIONS

Make a difference in your community by volunteering for a city board or commission. Residents can volunteer to help guide the City of Bondurant by serving on one of seven boards and commissions, each with specific responsibilities. Boards and commissions study information in specific areas and make recommendations to the city council on issues within that board or commission's area of expertise. Appointments to city boards and commissions are made by the Mayor and confirmed by the City Council of Bondurant. Apply to join today at www.cityofbondurant.com.

CITY COUNCIL: City Council priorities focus on improving city services and promoting viable opportunities to meet the needs of a growing community. Those areas include planning for emergency services, growth and open spaces. Meets the first and third Monday of each month at 6 p.m. at City Hall.

BONDURANT *A growing city with hometown heart*

Whether you're new to Bondurant or have lived here for years, welcome to a community that's more than just a city — it's a great place to live, grow, and belong. Bondurant continues to be a shining example of what's possible when a city combines small-town warmth with big-picture vision.

In the past year, we've made exciting strides to enhance the quality of life for everyone who calls Bondurant home. We broke ground on a new Fire/EMS facility at the Civic Campus to further strengthen our emergency response services, and we welcomed Hope, a crisis response canine who brings comfort during difficult times. Phase 1 of City Park is now complete, expanding green spaces and recreational opportunities for people of all ages. Thanks to generous support from Meta, our community library now features a digital holds locker — making resources more accessible for our growing population.

Bondurant is also transforming through the Grain District redevelopment, which is set to become a vibrant destination for dining, shopping, and community events. With a strong mix of locally owned businesses and internationally recognized companies, Bondurant continues to attract innovation while staying rooted in its hometown values.

What truly sets Bondurant apart is its livability. Here, you'll find a balance of quiet neighborhoods and convenient access to everything you need — regional airport services, major interstates, shopping, dining, entertainment, amusement parks, and miles of bike and walking trails. Our public safety services are top-notch, and our schools are supported by engaged families and an invested city council.

Our parks and recreation system also allows residents to recreate in a variety of ways. From the soccer and baseball fields at the Bondurant Regional Sports Complex to the fishing spots at Lake Petocka and Eagle Park, outdoor opportunities abound. The City is also developing a master plan for Central Park, which will include a large lake and gathering spaces to bring people together for years to come.

Community spirit thrives here. Whether you're attending a local festival, exploring the Chichaqua Valley Trail, watching a blues band at Bondu Blues, Brews and BBQ, or enjoying events at the Library, there's always something happening. Our expanded trail system connects neighborhoods, parks, and even neighboring towns — perfect for weekend adventures or daily commutes by bike or foot.

Bondurant is growing, but we're doing so with care. Our City Council is focused on maintaining the community's character while supporting smart growth through investments in infrastructure, public safety, education, and open spaces. We believe in planning for tomorrow without losing sight of what makes life here special today.

So, whether you're settling into a new home, opening a business, raising a family, or simply enjoying retirement — Bondurant welcomes you. We're proud of our progress and even more excited about the future. Thank you for being a part of it.

Bondurant-Farrar Community Schools

Bondurant-Farrar is a high-achieving school district that takes pride in providing top-notch educational resources for students. We are proud of our tradition of excellence and are working hard to ensure an even better future. The size of the district allows students the individual attention needed to succeed while providing the advantages of a bigger school.

Our district serves more than 2,800 students from preschool through grade 12 and is projected to grow annually for the next several years. The Garfield Street campus is 55 acres in size and home to two elementary schools, one intermediate school and the district's transportation facility. The Grant Street campus is home to the high school, junior high and Bluejay Stadium.

The district continues to evaluate our needs as we work to best support students and manage growth while remaining fiscally responsible with taxpayer funds. As we expand on new and existing facilities, current and future projects include a high school addition, new activity spaces at the Grant Street campus and a new elementary school. Funding for these projects was made possible by the community's overwhelming support of the district's 2023 bond referendum, which passed with 85% voter approval.

Technology is integrated into student learning at all levels. Students in first through 12th grades enjoy 1:1 technology environments. At Morris Elementary, kindergarten's student-to-device ratio is 2:1 through the use of Chromebooks and iPads. Additionally, the district strives to incorporate science, technology, engineering and math (STEM), as well as computer science in unique and innovative ways.

The district takes pride in providing a variety of clubs, activities and athletic opportunities to students. Students throughout the district are active in the arts and often earn statewide recognition for their efforts in band, speech, choir and visual art. Our student-athletes are students first and excel both inside and outside of the classroom. Several clubs, such as our local FFA chapter, are available to students. This year, junior high girls wrestling was offered for the first time, marking an exciting expansion of our athletic opportunities.

We feel fortunate for the many ways community groups, including booster clubs and parent-teacher organizations, provide year-round support for our students and staff. We consider ourselves lucky to have such generous and supportive partners in education. Go Bluejays.
